

CAMPUS RESOURCE GUIDE

Your **College resources** - not only are they **free**, but they can help prepare you for a **career**, for learning effective **writing and studying skills**, for **enhancing health, physical, emotional and mental acumens and participating in student activities**. **Most** college students never visit the **career center**, the **library**, **professors**, **academic advisors**, nor find **tutors** they need to help with tricky math/science/other problems or talk with a **Counselor/Pastor** or **Retention Intervention Team Member** or **College Success Coach** who can help them resolve issues, problems/concerns or a **Certified Mental Health First Aider** who is able to assess risk signs of distress, including anxiety, depression, substance use and eating disorders and to offer initial help in a mental health crisis and refer you to appropriate programs. **Use** these services to help you grow, equip you with necessary skills that will stand the test of time, as well as assist you with concerns that arise over the span of your college career. **Take** advantage of these resources - visit them - you may be quite surprised at what you discover!
