

V1 2020-2021 Verification Worksheet

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called "verification." The Voorhees College Office of Financial Aid will compare information from your FAFSA to your (and your spouse's/parent's) 2018 Federal Tax Transcripts or Signed 2018 Tax Returns, ALL Federal Schedules 1, 2 and 3. W-2 forms and other financial documentation. According to federal law, we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, Voorhees College will update/adjust your FAFSA accordingly. If you have questions about verification, contact our office as soon as possible so your financial aid will not be delayed. You and one parent (if you are dependent) must complete and sign this worksheet, attach any required documents, and submit the form along with any other additional information required to the Office of Financial Aid.
