

# V1 2021-2022 Verification Worksheet

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called “verification.” The Voorhees College Office of Financial Aid will compare information from your FAFSA to your (and your spouse’s/parent’s) **2019 Federal Tax Transcripts or Signed 2019 Tax Returns, ALL Federal Schedules 1, 2 and 3. W-2 forms and other financial documentation.** According to federal law, we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, Voorhees College will update/adjust your FAFSA accordingly. If you have questions about verification, contact our office as soon as possible so your financial aid will not be delayed. You and one parent (if you are dependent) must complete and sign this worksheet, attach any required documents, and submit the form along with any other additional information required to the Office of Financial Aid.

The best way to verify income is by using the **IRS DATA Retrieval Tool (IRS DRT)** that is part of FAFSA on the Web at [FAFSA.gov](https://fafsa.gov). In most cases, no further documentation is needed to verify 2019 income information transferred into the student's FAFSA using the IRS DRT if that information was not changed.

**Tax filers who did not use the IRS DRT when completing the FAFSA and are selected for verification and were required to file taxes MUST provide a copy of their IRS 2019 Tax Return Transcript. (<https://www.irs.gov/individuals/get-transcript>) We also accept signed copies of returns (ex. 1040 and ALL SCHEDULES 1, 2, AND 3) for this process.**
